Membership Upgrades

Membership upgrades are only accepted until the end of January. This is the most cost effective way to add bookings to your total if you know in advance that your current level of membership will not provide enough bookings to carry you through the season. Please circle the upgrade cost based on your current level of membership and the level of membership that you are upgrading to. COSTS INCLUDE HST

Additional Bookings

At any point in the season, you may add more bookings to your total. This is only allowed however, if you have purchased a Club membership to start with.
